

*The Canton Woman's Club was built in 1867 and was the home of the John R. Bucher Family. Mr. Bucher was a local business man who dabbled in many industries throughout his life time. The family remained in the house until between 1910 and 1920.*

*The Canton Woman's Club was founded in June of 1920 shortly before the purchase of the house. The Club choose to keep with the Victorian feel of the house. Many original pieces of furniture can be found through out the house as well as solid cherry arch ways, banisters and sliding pocket door. The original fireplace of the first floor is still in use today.*
